

INTEGRATED OBJECTIVES – REPORT PERIOD QTR 3 2020/ 2021

OBJECTIVE 1: Ensure Site Safety Performance is an integral part of the daily working ethos.

Target Met

Measure: Completion of fortnightly H&S audits by our SHEQ Consultants.

Statistics are kept on a monthly basis and discussed in team meetings.

Statistics are also advertised on Alcema website.

OBJECTIVE 2: To ensure we have no environmental incidents on our projects.

Measure: Environmental procedures implemented, and training provided to the whole team.

Briefings given to all subcontractors on the Environmental Impact.

100% Complete

OBJECTIVE 3: Monitor our waste - reduce our energy and paper usage.

On Target

Measure: Monitoring in place and monthly statistics recorded.

OBJECTIVE 4: To ensure customer feedback is received for completed projects.

Target Met

Measure: Project managers to ask clients to complete Alcema customer survey document upon completion of project, in line with IMS requirements.

Data is recorded and discussed in team meetings.
